

## Effective Application of Guidance Documents to Hydrocarbon Sites Team

Spring Forum Meeting Agenda, April 14 – 15, 2021 12:30 – 5:30pm EDT

The primary focus for the [Hydrocarbon](#) team meeting is to review the status of subgroup efforts on creating site scenarios and then allow the subgroups to break out to continue work on these site scenarios (bringing ITRC hydrocarbon tech reg information into building a better conceptual site model). If you are interested in the primary intent of the team, we encourage you to listen to [ITRC & Me: About Us, Our Services and Our 2021 Teams](#).
